Mr. Harold A. Lett, Executive Secretary  
New Jersey Urban League  
58 West Market Street  
Newark, New Jersey

My dear Lett:

Many thanks for apprising me of the possibility  
of making use of the Newark Eagles this coming summer.

I am not certain at this time what I can do about this  
matter or whether our organization would sponsor such an enterprise.

If I go into this matter I would in all likelihood have  
to do it on a personal basis.

A little later on I will write you letting you know  
more definitely as to what I can do about this matter.

Very sincerely yours,

(Signed) John C. Dancy
